Paving The Way To A Better Cemetery

The Grand Forks Cemetery Association (GFCA) is continuing its ongoing efforts to improve your cemetery. We are grateful for the generous support thus far from so many of our members, their families and their friends.

In 2014, we began repairing the roads in Memorial Park North by removing damaged sections of asphalt and replacing those areas with new four-inch-thick asphalt. This has made a remarkable improvement to the cemetery roads. In 2019, we are in the process of removing damaged sections of asphalt and will be paving these areas with new asphalt as well.

Donations that have been received over the past several years have been used to repair the roads that were in the worst condition. As funds become available, damaged roads will be repaired until our paving project is complete. Would you please help us once again so that we can continue our ongoing efforts to remove these damaged sections and replace them with new asphalt? If you have not yet contributed, would you consider making a donation toward this important project?

In our previous letters we suggested a donation of \$150. We realize that \$150 may be challenging for some of our members, and we want you to know that every contribution helps, whether it's \$25 or \$1,000. To make a tax deductible donation, please fill out the contribution card enclosed with this letter and return it to us, along with your check. If you like, you can also make your donation over the phone by calling us at (701) 772-0988. Your donation can be given in memory of a family member or friend, and we will retain both your name and those of your loved ones in our records.

Again, we appreciate your support while we take these much-needed steps to improving your cemetery. With a combined effort from all our members – no matter how small or large the contribution – we can make Memorial Park North a more pleasant place for everyone to visit and to enjoy.

Sincerely,

Robin J. Purcell

Robin J. Purcell, Association Administrator
Joseph K. Anderson, Association President
